

BrewBean Cafe Website Proposal

Project Name : BrewBean Cafe Website

Prepared for : Jane Brewster

Prepared by : Jelshen Febryand Valesco

Date : May 11th, 2025

PROJECT OVERVIEW

This proposal outlines the scope, deliverables, timeline, and terms for the development of a responsive, modern, and user-friendly marketing website for BrewBean Café. The website will promote the café's offerings, provide contact information, showcase a photo gallery, and include a menu.

DELIVERABLES

The completed website will include:

1. Home Page – Hero image, welcome message, and navigation
2. Menu Page – Sections for Hot Drinks, Cold Drinks, and Pastries
3. About Page – Cafe story, team photo, and customer testimonials
4. Gallery Page – Clickable photo grid with hover and lightbox/zoom effects
5. Contact Page – Embedded Google Map, contact form (email simulation), business hours

Other features:

1. Responsive design (mobile, tablet, desktop)
2. Clean, modern aesthetic
3. Interactive UI elements (hover effects, scroll animations)
4. Contact form integration
5. Easily updatable content

TECHNOLOGY STACK

Frontend : HTML, CSS, JavaScript

Framework : Tailwind CSS or Bootstrap

Email : EmailJS / Formspree

Hosting : GitHub Pages or Netlify

TIMELINE

Project start : May 11th, 2025

First draft / working version : May 16th, 2025

Final delivery : May 25th, 2025

PRICING

1. Total : \$600
2. Payment Terms : 50% upfront (\$300), 50% on final delivery (\$300)

REVISIONS

1. Includes 2 rounds of minor revisions (styling, content tweaks)
2. Additional revisions may require additional time and cost

OUT OF SCOPE

1. No backend or custom CMS
2. No server-side logic or admin dashboard
3. No separate mobile app

PROJECT HANDOFF

Upon final payment, the client will receive:

- Full source code (HTML, CSS, JS, and assets)
- Deployment-ready site (Netlify or GitHub Pages)
- Simple README file explaining how to update content and redeploy
- Full ownership of website and design assets

AGREEMENT

By accepting this proposal, both parties agree to the terms outlined above regarding the project scope, pricing, and delivery schedule.
